

# Qube Multi-Dose Medication Management System

## When Bigger is Better

Accommodating an entire week's worth of medication in high-capacity blisters, the Qube adherence package helps patients take the right medications at the right time, no matter how complex the regime.

- 1 Measures 10" (tall) x 6-3/8" (wide) x 7/8" (deep) when completely assembled
- 2 Custom-print your card with up to 9 colors to showcase your brand and messaging
- 3 Larger morning and bedtime cavities hold more medications at the times they're needed most
- 4 Easy-puncture foil provides tamper-evident storage for medication
- 5 Adherence cards provide quick visual confirmation that medication has been taken
- 6 "FDA side effect" and "not child-resistant" statements are pre-printed
- 7 Clear blisters are easy to check against adjacent medication label to confirm accurate filling
- 8 Large inside panel accommodates all industry standard multi-med labels or up to 10 standard 2" x 3" labels
- 9 Large text depicts what time of day to take medication
- 10 Easy grid system for patients to locate the correct medication pass
- 11 Easy-to-remove liner and permanent adhesive provide a secure seal without requiring a heat seal press

Approved for Use in SynMed® and BlistAssist® Technology
